There's so much that
can get in the way of
real communication.
Sometimes, words
themselves can be an
obstacle.

PollyChirp Interpreting
can help you eliminate
the noise. Call us at

right interpreter... right time... right place

At the heart of it,

communication is the key.

Face-to-face, person-to-person.

Our deaf and foreign language interpreters are knowledgeable, educated, and experienced in area such as medicine, law, government and education. Their professional affiliations guarantee that they adhere to the highest standards.

PollyChirp's goal is to provide a seamless experience for you and your customers. We make every effort to match the best interpreter to your customer's needs. Across every discipline, in every industry, for any organization.

reliable... friendly... supportive

PollyChirp Interpreting can help you communicate. Each individual will be carefully matched to your needs. All of our interpreters are screened and qualified, they undergo a background check, TB testing, immunizations and are insured.

PollyChirp has strict ethical and privacy guidelines that all our interpreters are educated on. **PollyChirp** serves consecutive (one-on-one) and simultaneous (conventions/conferences) settings.

signing types:

- American Sign (ASL)
- English Sign (BSL)
- Pidgeon/Pidgin Sign

foreign language services:

We have foreign language interpreters available for 125+ languages, and we add more as the need arises. For a listing go to pollychirp.com/foreign-language-interpretation/

remote services:

We offer remote video, sign language and telephonic foreign language interpretation which allows you confidence of HIPAA Hitech. Submit your request at pollychirp.com/scheduling/ and one of our customer service representatives will get you going.

innovative... seamless... clear

PollyChirp is with you every step of the way. Our goal is to make the process as seamless and smooth as possible, removing any obstacles to clear communication.

We are currently in the process of expanding our services and adding functionality to our website. These additions — most notably, a highly-customized scheduling software that will allow you greater control over your scheduling — have been developed with an eye towards improving your user experience and positively impacting your bottom line.

www.pollychirp.com

We will find you an interpreter **anywhere** in the continental United States.
